

ISBS Women in Sports Biomechanics ‘Becoming a better ally’ workshop

Tuesday 16th July 17:30-19:30

This interactive workshop will explore real-world scenarios to develop our shared understanding of allyship through small-group discussion. You will have the opportunity to discuss strategies and come away with actionable take-homes that empower you to be an effective ally, leverage potential allies around you, and avoid common pitfalls of allyship. The workshop is **open to all ISBS members** attending the conference and we would love as many of you as possible to join us. Drinks and light refreshments will be provided.
